

Did you know?

HHGCC supports Grace Brethren Village, a wonderful ministry right here in the Englewood community? For over 50 years, they've been providing loving, faith-based care for seniors. Grace Brethren Village offers both skilled nursing and independent living homes on their beautiful 21-acre campus. Their mission, "Adding Life to Years," is lived out daily as their compassionate staff provides physical, emotional, and spiritual care to residents. They truly strive to reflect the love of Christ in all they do, creating a welcoming and supportive home for those 55 and older. To learn more, visit their website at www.gbvillage.com

Dear Friends,

I am writing to thank you for the generous support and assistance you have provided to Grace Brethren Village. Your donation contributes to the success and longevity of our Mission, which began in 1969.

We are mindful that we are not in this ministry alone. On behalf of the Board of Directors, residents, resident families, and staff, please know we are grateful for your support.

God's Blessings,

Join us as we continue to pray for Grace Brethren Village!

*Dear Heavenly Father,
We thank you for the ministry of Grace Brethren Village. We ask that you continue to bless their staff as they serve the residents with compassion and love. We pray for your presence to be felt throughout the community, bringing comfort, peace, and joy to each person. We ask that you provide for their needs and strengthen their mission of 'Adding Life to Years.' Guide their leadership and empower them to continue sharing the love of Christ. We pray for the residents, that they may experience your grace and find fellowship in their community.*

~ In Jesus' name, Amen.

Blessed (happy) is the one who does not walk in step with the wicked ... but whose delight is in the law of the LORD, and who meditates on his law day and night. That person is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither—whatever they do prospers. ~ Psalm 1:1-3

One of the Hispanic churches within the Encompass World Partners recently reported that they had eight Baptisms! Our global partner, Brian, reported that eight people were baptized in a local Hispanic church, and said that "every age group was represented from 16 to 70-ish. Their testimonies were just as varied." *Praise God for drawing these people to Him and leading them to follow Him!*
